## 2024 Rates

### Important booking information

Please enquire about our main packages when clicking on the **“View Packages”** button on our website ([www.ohanya.com.na](http://www.ohanya.com.na)). Customised quotes for specific group sizes, self-drive options, lodging/chalet options or other locations (in Namibia) can be requested by completing the enquiry form or booking meeting with us on the **“Contact”** page of our website. For any other questions please visit our website or send an email to [info@ohanya.com.na](mailto:info@ohanya.com.na) or a WhatsApp to **+264812395719**.

Namibia receives rainfall mainly in the summer months. If you consider travelling from December till the end of April a Lodging option is best, as it might not be ideal weather for camping, due to wet conditions and hot days. The best months for camping are between May and September.

### **Rates Information:**

*Discounted rates apply to pax of 3 or larger (Please enquire with the specific group size).*

*Self-Drive Tours – Includes no guide or driver, no drinks, no lunches, no park fees and no fuel for the vehicles.*

All rates are in Namibian Dollars (NAD) and rates are for budget and mid-range accommodation. Only a single rate will apply if a booking is made for one person. Each tour/safari requires a minimum of two people to operate.
