You'll pass through Mariental, a small town along the road that runs to and from Sesriem and Sossusvlei. It's a fuel stop, with ostrich farms and citrus orchards nearby.

Canyon Roadhouse

Lodge

Down in the far south of Namibia, close to Fish River Canyon, Canyon Roadhouse is a quirky place with plenty of roadside character. Many of the public areas, including reception, are dominated by old vehicles and their spare parts, and the rooms have plenty of color. The whole feeling of the roadhouse fits perfectly with the big horizons that surround it.

Aus

Aus is an isolated southern Namibian town that wakes up whenever travelers roll into town. Even so, you can hear the silence once you turn the engine off.

Close to where many of southern Namibia's more interesting roads intersect, Klein-Aus Vista - Desert Horse Inn is a fine place for you to stay. The large and attractive rooms are found across the rocky hills of Aus. Expect also a swimming pool, bar, restaurant, and good service that will help you to relax from the moment you arrive.

Day 6 & 7

Sesriem

Soak up the silence of Sesriem, the town which lies at the entrance to the sand dunes of Sossusvlei. It's lovely and quiet, with big views of the sand seas just beyond the town, and of the Naukluft Mountains nearby. Hotels, lodges and tented camps line the roadside and the desert begins very close by.

Namib Desert Lodge

Lodge

Staying at Namib Desert Lodge is a form of deep desert immersion, thanks to the big desert horizons that surround the lodge; the property sits at the foot of fossilized sand dunes. The lodge itself has big rooms with tiled floors, and the public areas (including the swimming pool, bar and restaurant) all look out across the desert.

Day 8

We look forward to welcoming you back with us one day in the future. Until that day arrives, we will leave you with what we're sure are so many special memories we've shared.
